

Organized by Diverse and Revolutionary Unitarian Universalist Multicultural Ministries

West Coast Gathering for Unitarian Universalist People of Color

Sustenance for the Journey: Growing Spiritually Centered, Culturally Affirming Communities of Healing and Liberation

Diverse and Revolutionary Unitarian Universalist Multicultural Ministries is one of the organizations for people of color/Latina/Latino within Unitarian Universalism. We come together to share our hopes and express our concerns at this critical juncture in our faith when we are struggling to enter a more multicultural future. This gathering is a chance to be together with other people of color/Latina/Latino who also are Unitarian Universalist—to worship together, to share food and dreams, to strategize and learn about issues of concern to our communities within the larger frame of the Unitarian Universalist Association.

Hope You Can Join Us and Don't Come Alone!

Sharing car rides and using local homestay is how we are going to keep this conference affordable! Please send requests for food restrictions, accessibility issues and need for language interpretation to kevinalanmann@gmail.com

We are the ones we have been waiting for.
